Our vision

Welcome to WFWP Europe! Our vision is to work together as women to create a global family rooted in sustainable peace.

Our mission

Our mission is to empower women as peacebuilders and leaders in the family, transforming communities, nations, and the world.

Our activities

Through education, advocacy, partnership, reconciliation, and humanitarian service, we strive to create a peaceful environment for future generations, embracing people of all backgrounds.

Join our educational programs, advocacy campaigns, and humanitarian initiatives to make a positive impact.

As an NGO the WFWP has active UN offices in Geneva and Vienna.

Be part of
the change!
